Subject: Helth Department Recheck Mailing #2
Attachments: HDR Mailing No 2 091516.pdf

Attached please find a PDF of the second set of letters which were mailed to Health Department Recheck folks who did not respond to the first letter offering sampling. There were several letters from the first mailing that came back to us as "Return to Sender". These names were removed from the list for this second mailing and Ali and I are working on them individually.
